

Introducing the first annual

Local Night Out

Wednesday, Sept 14th, 2005

Participating restaurants will feature locally-grown ingredients in dishes prepared especially for "Local Night Out."

Please support these restaurants by eating at one (or more!) on Sept. 14th. And let them know you appreciate their efforts to support local foods.

**Blue Marlin - Bunky's Cafe - The Dardanelles
Eldorado Grill - Greenbush Bar - Harvest
Ian's Pizza By the Slice - L'Etoile - Lombardino's
Nadia's - Ovations - Quivey's Grove
Roman Candle - White Horse Inn**

The Wednesday night free meal at **St. Martin House** will also participate in Local Night Out by serving a locally grown meal with produce donated from Quann Community Gardens.

Local Night Out is brought to you as part of the **Food for Thought Festival**.
Sept. 16-17, 2005.

A project of **REAP Food Group**.
